

Professor Dr. Jamila Ali Hsian

Vice President of Yarmouk Private University

Personal CV:

Name: Jamila Ali Hsian

Nationality: Syrian

**Scientific Certificate: PhD in Industrial Pharmacy
(2005)**

Scientific Rank: Professor

**Work Place : Yarmouk University, and Damascus
University**

Language: Arabic, English

Administrative tasks:

- **Vice President of Yarmouk Private University since 1/10/2022**
- **Dean of the Faculty of pharmacy at Damascus University 15/9/2019 - 15/9/2021**
- **Dean of the Faculty of pharmacy at AL Jazeera university**
- **Head of the Department of Pharmacy and Pharmaceutical Technology at Damascus University for two years**
- **Head of the Teachers Syndicate Unit at Faculty of pharmacy, Damascus University for two years.**

Scientific Tasks:

- 1- **Supervising more than 30 Master and PhD Students.**
- 2- **Participation in Supervising master`s at Faculty of Dentistry at Damascus University.**
- 3- **Participation in the Master and PhD arbitration committees.**
- 4- **Participation in all Pharmaceutical Scientific Conferences inside and outside Syria.**
- 5- **Supervising dozens of graduation projects for Students of the College of Pharmacy.**
- 6- **More than 30 Scientific leaflets were published in Scopes journal with High impact Factor and classified : (D1, Q1,Q2,Q3.....) and in Damascus university also.**

7- I got the (ISSN AWARD) as the most ambitious researcher in the field of industrial pharmacy.

8- I got two Patent: 1- For treat Leishmaniah , 2- Serum from The Damascene Rose.

9- I taught in several Private University in addition to Damascus University:

- **Qalamoun University**
- **Syrian Private University**
- **Al Sham Private University**
- **Al Jazeera Private University**
- **Yarmouk Private University**

I taught several courses :

Industrial Pharmacy 1&2

- 1- Pharmaceutical Technology**
- 2- Pharmaceutics**
- 3- Community Pharmacy**
- 4- Pharmaceutical calculation**
- 5- Introduction to Pharmacy**
- 6- Pharmaceutical Marketing**
- 7- Cosmetics Preparations**
- 8- Training Pharmacy students**
