Ibn AL-Nafis Str, Rukn AL-Dein,
Damascus, Syria

Via Pietro Bucci, University of
Calabria, Architectural and
Technological Design Laboratory
(LAPAT), 87036 Rende (Cs), Italy

Academic

Education

2018

+ Euro. PhD. of Architectural Technology

University of Calabria, University of Nürtingen Italy-Germany

2006

+B.Sc. of Architecture Engineering

Aleppo University Syria- Aleppo

Professional Experience

1-{ Apr 2006 - Aug 2013 } - (Syria-Aleppo) - Al Diwan Engineering Consulting Office
Planning & [Architect] (Design, Drawings production) & Supervision

□ **Participation in:** (As Designer)

- Elaborate the Detailed Studies for Elementary & Secondary Schools in Aleppo City 2011.
- Elaborate the Detailed Studies for the international Park in Aleppo City 2011.

**Scholarships
& Research
Grants**

- **2017-2018(2 years) Italian Foreign & International Ministry, Italy**
PhD Research Grant
- **2016 (3 months) 5 * 1000 Fund, University of Calabria, Italy**
Mobility Grant for European PhD Candidates
- **2015-2016 (2 years) Unical Admission, University of Calabria, Italy**
PhD Research Scholarship

**Computer
Skills**

- Rhinoceros 5 (Grasshopper + Python Script)
- Autodesk Revit Building 2017
- Autodesk Ecotect Analysis 2011
- AutoCAD (r 11.0 – 2020).
- M.S. Project 2012
- Adobe Photoshop
- International Computer Driving License ICDL6

**Language
skills**

(1=poor;5=very
good)

<i>Language</i>	<i>Reading</i>	<i>Speaking</i>	<i>Writing</i>
Arabic	mother tongue		
English	5	4	4
Italian	4	3	3

**Organizational
Skills and
Competencies**

- Excellent organizational skills, and experience in administrative tasks both professionally and academically.
- Good analytical and problem-solving abilities (gained during all studying years and especially during working at Al Diwan engineering consulting office).

**Personal
Information**

- Born in Aleppo 1983
 - Nationality: Syrian
 - Married and a mother of Three Children.
-
