د. م. انور المصري/ FB	Face Book
	:EDUCATION AND TRANING
PHD in solid and flexible body mechanics/construction and auto	mation account/1992
Czechoslovakia (technical university of Brno)	
Master of civil engineering/transport and construction designs/ 1985 Czechoslova	
final state inspection certificate's <u>very good</u> estimate master civil Eng. Brno 1985	
ICDL UNESCO office in Cairo 2005	
Certificate in administrative sciences from the national institute of public	
administration in Damascus/ 2003	
Certificate in the rank of opinion in the construction and programming of 'the engineers syndicate in Damascus' 2002	
Certificate of experience in the teaching of informatics and applie	d computer science
'in the faculty of science in Damascus; 2002	u computer science
in the faculty of science in Damascus, 2002	
	WORK EXPERIENCE:
Lecturer at university of Damascus in faculties	
/Civil engineering, Architecture, Electrical and Mechanical, Science, Economics/ for ten years (Retired)	
Member of the conferences of the development of intermediate institutes held in cooperation with the European system	
at the university (Baath and Aleppo)2006	
at the university (Baath and Aleppo)2006	ooperation with the European System
Tutor at the institute of technical engineering in Daraa - Damascus UNIVE	RSITY for more than 25 years
