

C.V

Name: Dr. Wadee Hanna Shaheen

Place and Date of Birth :Damascus 13.01.1967

Scientific capacity teacher at Damascus University/ Faculty of Mechanical and Electrical Engineering/Engineering Department Computers and automation.

The scientific life:

1) I obtained a high school diploma the year / 1984 /.

2) I graduated from the Faculty of Science Department of Mathematics, University of Damascus in / 1988 /.

3)I appointed a lecturer in the Faculty of Mechanical and Electrical Engineering, Damascus University Department of Informatics / 1989 /.

4) I was Sent in / 1990 to / from the former Soviet Union to study for a doctorate.

5) I received a doctorate in / 1994 / from Yerevan State University of Engineering.

6)I appointed a teacher at Damascus University / School of Mechanical and Electrical Engineering / Engineering Department Electron / the lack of Department of Informatics at the University of Damascus.

7)I orate to the Sultanate of Oman / Faculty of Education Rustaq / in

2000 // until the year / 2006.

8) After returning from secondment appointed teacher / Faculty of Mechanical Engineering, Electrical / Computer Engineering and Automation /. I'm still at the top of my work to date.

9)I began teaching at the International University of Science and Technology in 2008 / 2009 each week an average of six hours. In the academic years (2009/2020) and (2010/2011) two days each week based on the empty part, knowing I was a part-time at the University of Damascus.

	Course Name	Academic year	Specialization
1	Introduction to computers (1)	First	All disciplines
2	Introduction to Computers (2)	First	All disciplines
3	Applications in computers	First	The field of scientific
4	Applications in computers	First	The field of literary
5	Numerical methods	Second	Computer
6	Numerical methods	Third	Math / Computer
7	Algorithms	Second	Computer
8	Mathematics intermittent	Third	Computer
9	Operations Research	Fourth	Computer

2. I taught the following courses in the Faculty of Mechanical Engineering, Electrical / Computer Engineering and Automation:

	Course Name	Academic year	Specialization
1	Introduction to Computer Science	First	All disciplines
2	Linear Algebra	First	Computer engineering
3	Mathematical analysis (1)	First	Computer engineering
4	Mathematical analysis (1)	First	Textile Engineering
5	Mathematics (2)	First	Mechanical Power Engineering
6	Operations Research	Third	Computer engineering
7	Mathematics (3)	second	Mechanical and Electricity Engineering
8	Mathematics (4)	second	Electricity Engineering
9	Mathematics (5)	Third	Electricity and Mechanics
10	Probability and Biostatistics	Third	Medical Engineering
11	Mathematical analysis (2)	Firs	Computer engineering

3. I taught the following courses in International University of Science and Technology from 2008 to 2019.

	Course Name
1	Mathematics (1)
2	Mathematics (2)
3	Engineering Analysis 1
4	Engineering Analysis 2
5	Ordinary Differential Equations
